

Access For Brokers

Broker Services Portal

Streamline your benefits management process using the Broker Services Portal (BSP)!

- Easily manage your client’s eligibility – view, enter, edit, and cancel member eligibility in real-time.
- Access your client’s billing details and large client utilization reports.
- Assign Broker Services Portal users for your company, maintain security levels for your users, and disable accounts when roles change or a delegated user leaves your organization.

Select a Super User within your company using the form below. This Super User will be able to set up and maintain your BSP accounts, enabling immediate access for your users. (Each licensed agent may select an individual Super User or delegate one Super User for multiple agents)
