

Access For Brokers

Broker Services Portal

Streamline your benefits management process using the Broker Services Portal (BSP)!

- Easily manage your client's eligibility – view, enter, edit, and cancel member eligibility in real-time.
- Access your client's billing details and large client utilization reports.
- Assign Broker Services Portal users for your company, maintain security levels for your users, and disable accounts when roles change or a delegated user leaves your organization.

Select a Super User within your company using the form below. This Super User will be able to set up and maintain your BSP accounts, enabling immediate access for your users. *(Each licensed agent may select an individual Super User or delegate one Super User for multiple agents)*
